

A GREAT FINANCIAL Opportunity

First Come! First Served!

Would you like to rent, lease or buy a two-story twenty-room, fifteen thousand dollar bungalow at Idabel, the most rapidly growing County seat in South-East Oklahoma? The building is located within two blocks from the Frisco Station, an ideal location for a first class hotel and there is no greater demand for such an enterprise at any place than there is at Idabel. Electric lights are installed in each room in the building and connection for indoors toilets and laboratory was made with the sewerage system in July. In short, the building is modern in every phase and represents the best constructed and most commodious frame building in McCurtain County. As a hotel, and restaurant, this building, at its present location, will serve any one knowing how to conduct such a business as a veritable "mint"—an unlimited opportunity to make money, and there is absolutely no competition.

Idabel has recently installed a modern sewerage system. A fine \$150,000 Courthouse was completed in August and a Government building and ice plant are to be erected soon. Among the Colored people there are four churches, a fine school, a picture theatre, stores and a \$40,000 gin, the hotel above occupying the central place.

The conditions of this proposition are as follows: Rent \$75.00 (1st three months in advance); each following in advance.

5 YEAR LEASE, \$3,000—payable in advance.
SALE, \$9,500—\$4,500 cash. Balance on terms to suit purchaser. A Sale is preferable.

It is guaranteed that this building cannot be duplicated anywhere for less than \$15,000.

Any one wishing to consider this proposition will see Prof. A. M. Solone at Booker Washington High School or 841 North Bullett St., Tulsa, Okla.

There are six other rent houses for sale on same and adjoining blocks. See Prof. Solone.

WHO ARE INTERNATIONAL BIBLE STUDENTS

The True International Bible Students represent that class of persons who have consecrated all they have, even their lives, to do the will of God and walk as nearly as possible in the footsteps of Jesus. They are the ones who intelligently recognize that Jehovah has a great plan concerning his human creatures and that the Bible is the Blue Print of his plan of procedure. They represent the remnant of that class of persons who all down the ages, stood loyal to Godliness, even unto death. Their daily work is trying to have the world see God's Great Plan and the outworking of same. They, International Bible Students, are the world's best earthly friends. They are giving their all upon the Alter of Sacrifice that in due time the world will come into a knowledge of God's plan. The sad part about the matter is that the world knoweth them not but has persecuted and put them to death even the Lord and Savior Jesus Christ.

For Russell more of the true light concerning his Kingdom. Pastor Russell has brought to light enemies Russell was faithful in delivering this message up until his death Oct. 30, 1916. The followers of his teachings, known as International Bible Students, have continued to the present time in calling the world's attention to God's Great Plan of Salvation. God's Plan, as shown by the teachings of Pastor Russell, has brought to light the fact that the Great Church Systems are guilty of feeding the people of the world on the old musty doctrine of the dark ages. This showing up the Church Systems have greatly angered the preachers and forty years they have been trying to find some way to get rid of Russellism. This unfaithful Clergy class would have made short work of the Russellites and their teachings were it not for the laws under which we live. The condition of the people's minds during the recent World War afforded an

All down the ages, even to the present time, God's true messengers, including Jesus Christ, have had the responsibility of announcing the coming Kingdom of God and denouncing a false form of Godliness instituted and maintained by a Clergy class known in Christ's time as Scribes and Pharisees. This denunciation (which means nothing more than telling the world that it is not proceeding according to God's plans) has always brought a roar of indignation from this Pharisee class, the clergy, who have held themselves out as teachers of the world in all things pertaining to God. They killed Christ their best friend and have been making it everything else but pleasant for all who have tried to walk in Christ's footsteps.

I beg to remind you truth loving people that there has long been a great battle raging between right and wrong and that the conflict is now more fierce than ever. The last round is being fought to the finish and soon wrong and error will go down in defeat and be counted out and righteousness, truth and justice will be crowned victor for all time to come.

One of the marks of identification of the true servant of God is that their message is always without exception disliked by a ruling class having a form of Godliness with having a farm of Godliness but with out its spirit. This has been true in the case of all the Holy Prophets, the Lord Jesus Christ, the Apostles and all the faithful followers down to the present time. Many of the faithful of the past, including our Savior, sealed their faithfulness, to Jehovah God and His Great Plan, by their blood. The true Christians of the present time are fully aware that if they would reign with their Lord and Master they must follow in his foot steps and be willing and glad of the opportunity to lay down their lives for truth and even for their enemies, that they may have the blessed opportunity of blessing even those who have said all manner of evil against them and persecuted them falsely for righteous sake.

More than forty years ago the Lord sent to the world through Pas-

tor Russell more of the true light concerning his Kingdom. Pastor Russell has brought to light enemies Russell was faithful in delivering this message up until his death Oct. 30, 1916. The followers of his teachings, known as International Bible Students, have continued to the present time in calling the world's attention to God's Great Plan of Salvation. Tulsa Christian Women launch a Worthy Undertaking and Ask Support

The Young Women's Christian Association is a new organization re-

cently set on foot by a number of the most enterprising women of the city and realizing the great benefit such an organization will bring to the community these women are desirous of securing the support of the women of all ages living in Tulsa. The promoters realize that they can do but little until the association is set upon a more firm foundation than at present, and further that such foundation can only be made lasting through a membership which will have representatives from every walk in life in this community. Only those who have been blessed with the opportunity of travelling in various sections of the country have seen and know the great amount of good that has been accomplished by strong bands of women under the banner of the Y. W. C. A.

The high aim of this organization is attested by its desire to include in its roster of membership all who are willing to aid in the uplift and protection of the young women of the city. If every woman in Tulsa will join and pledge loyal support great results are sure to follow. It is also the aim to have a Tulsa Y. W. C. A. Building—a building in which all citizens could have the highest possible pride.

Saturday, October, 9th, 1920, has been designated as "Tag Day." Do not refuse to buy a tag. The promoters ask generous support in this effort to raise funds and also ask the prayers of all faithful Christians.

TULSA LOSES PROMISING YOUNG LIFE

The C. M. E. Church was the sad scene last Wednesday afternoon of the funeral obsequies of the late Miss Katherine Cherry, daughter of our well and favorably known citizens, Mr. and Mrs. James Cherry. Quite a large congregation filled the auditorium of the church as both the departed young girl and her parents have numerous friends in the community who thus attended with a desire of showing their sympathy for the bereaved parents in this hour of distress and grief. The Rev. McLain officiated and delivered a most eloquent and touching sermon appropriate for the occasion. A program in which many of the young friends of the deceased participated was rendered and the floral offerings were many and beautiful.

Miss Katherine Cherry, who was unfortunately cut off at the very threshold of young womanhood, was one of the most talented and popular young girls of the city of Tulsa. She had received all the attention and care that four parents could possibly shower upon one they loved most dearly, and there was every prospect for a most promising career until she was stricken by an incurable disease, the ravages of which were fought by the best medical skill in the country.

Miss Katherine was born in Sulphur Springs, Texas, Nov. 4, 1900, and soon would have passed her 20th birthday. She had lived in this city with her parents since 1906 and graduated from the High School in 1918. She spent one year 1919 at Howard University returning home early last summer. On August 30th, she left for the Hospital of Dr. Wilson at Memphis, Tenn., to be operated upon for cancer of the breast. Two operations were necessary; the first was successful, but the second proved fatal. She died Sept 25th, three days after the last operation.

She was the only daughter, and is survived by mother, father, two uncles, George Cherry, of Okmulgee and Wm. Cherry of this city. On her mother's side she left a large number of relatives.
